FRIDAY EVENING, MARCH 27.

INDORSE THE BILL MR. DEFEW. The insistence of the people that the Fourth Avenue Tunnel be made safe has had some effect on the management of the New York Central Railroad. The State Board of says a writer in the Ladies' Home Journal Railroad Commissioners announce that "He is easily persuaded by a woman, but he orders have been given to string incandescannot be driven. A woman who seeks a man's acmiration and says by her demeanor or by cent electric lights in one of the side tunnels on the side opposite the signals to prac- ness,' is the woman from whom a man will turn tically test if lights will penetrate the fog quicker than from anything else. A woman always makes a mistake when she attempts to and smoke: and President Derew is auforce her beauty or her talents upon a man-or thority for stating that the following upon another woman for that matter. changes in accordance with the suggestions woman who seeks admiration always reminds me of a hollyhook, conspicuous and of the Railroad Commissioners will be fauntier, made in the conduct of the tunnel: Now, men never care for hollyhooks, "Trains will be run through it at a helf-blown rose is more to his taste. It is not man's favorite flower. The violet, of speed not to exceed fifteen miles an where there is a company of well-dressed men hour, the audible signals will be improved, in evening costume, with boutennieres, and, if in season, the violet and the rose will be seen torpedoes may be added, engineers and on the lapel of nearly every coat. And what firemen will be required to furnish certifi- is true with men of flowers is true of what cates of perfect eyesight and perception of color, and hard-coal instead of soft coal may be burned."

This is very good as far as it goes. Anything in the way of improvement will be looked upon with gratification, but the people do not want to be hoodwinked by any attempts at remedying this evil that are made simply for effect.

The stringing of the incandescent electric lights in the side tunnel while it is filled as at present with smoke, steam and other atmos pheric impurities looks a little like a waste of time and a ruse to give the impression that electric lighting for tunnels is impracticable. The New York Central may Now this is easy reading, but it is erruneous not be responsible for this, however, for Men wear whatever boutonierre the florist its officers claim to know nothing about style. If royal Eddle put a bee and such orders. THE EVENING WORLD has a nollyhook in his buttonhole all manclearly demonstrated by facts and state- kind would be similarly decorated. Men ments of prominent engineers that in sensible fellows have something else to thing order to light the tunnel properly it must about. Cauliflower, lettuce and green peas first be ventilated.

Mr. Darsw, in an interview, asserts that woman who seeks a man's admiration is the no changes can be made in the tunnel for and before any other fellow gets a change ventilating purposes unless so directed by marches her up to the altar, gives her a new the Legislature. There is now a bill before the Legislature directing that such changes be made. It is a moderate the world," makes no mistate, she is measure, leaving it optional with level-headed, she is wise and she is the New York Central what these escapes the nobility of labor that, according changes shall be. If President DEPEW is to United States Commissioner Carroll D. in earnest and means what he says, the Wright, nets the women of America \$4.55 a week. There used to be a whole lot of postry New York Central instead of fighting this in "the violet girl" and the rose bads "born bill should support it and have it become to blush unseen." but they went out of style

sothing to do but to carry them out to the letter, and this having been done, it should be easy to den waik and at the front gate, where place the responsibility for an accident.

managers of his Company, but it would likewise meet the wishes of the public and do violets! Bah! The stately, haughty, flauntcrying for redress.

Lawyer Baker Denies that He Conspired for Loring Robertson's Estate.

Published statements this morning relative the estate of Loring A. Robertson, the late Brooklyn millionaire leather merchant, who keeper. dies intestate in Brooksyn last October, claim tue disclosure of an alleged conspiracy on the part of a woman, two lawyers and one or more other men to seize upon the estate through the weman, who it was clamed, was the dead llionaire's widow. The "widow" is reported to be Cassie

rooks, an alleged frequenter of Tom Gould's ive, at Sixth avenue and Twenty-third street; he lawyers, John F. Baker, of 156 Broadway. and Byron W. Cohen, of 291 Broadway; and one of the alleged male conspirators, Jame W. Daskam, of Stamford, Conn.

Another and the alleged arch-conspirator who is said to have lived with Cassle at 94 linton place, under the name of "Bob Edis," is masing, and it is intimated that his arrest for conspiracy will follow in a few days It is a matter of record that Lawyers Bake and Cohen petitioned the Surrogate, Dec. 10 last, for the appointment of "Mrs. Helen Robertson" as administratrix of his estate, in connection with the Brooklyn Trust Company and on the statement of the attorneys that the widow" was not in New York, but would appear at the proper time the Court adjourned the case sine die, pending an investigation.

"Mrs. Helen Robertson" atterward, in a public letter, confessed that she was not the dead millionaire's widow and relinquished all claim to his estate. Hence the alleged conpuolisbed statements that \$50,000 was obtained by the woman, Cassie Brooks, and her lawyers, in settlement of her sileged claim against.
Millinoa-ire atobertson's estate.
Lawyer John F. Baker told an Evgning Would reporter today that his connection with the case was simply as counsel for Lawyer Conen.

"I presented the petition to the Surrogate for Mr. Conen," and Lawyer Baker, "believ-
